### From the Catechism

The more one does what is good, the freer one becomes. There is no true freedom except in the service of what is good and just. (*Paragraph 1731*)

### From the Saints

"True freedom is not advanced in the permissive society, which confuses freedom with license to do anything whatever and which in the name of freedom proclaims a kind of general amorality. It is a caricature of freedom to claim that people are free to organize their lives with no reference to moral values, and to say that society does not have to ensure the protection and advancement of ethical values. Such an attitude is destructive of freedom and peace." (*St Pope John Paul II*)

### Prayer before Mass

Almighty eternal God, behold I come to the Sacrament of your only Begotten Son, Our Lord Jesus Christ, as one sick to the physician of life, as one unclean to the fountain of mercy, as one blind to the light of eternal brightness, as one poor and needy to the Lord of heaven and earth. I ask, therefore, for the abundance of your immense generosity, that you may graciously cure my sickness, wash away my defilement, give light to my blindness, enrich my poverty, clothe my nakedness, so that I may worthily receive the bread of Angels, the King of kings and Lord of lords. Amen.

### Confession
