Gospel Reflection

We continue to read from Mark's Gospel, learning more about the ministry of Jesus. Jesus cured Simon's mother-in-law, and she immediately began to serve Jesus and his disciples. Jesus also cured many others who were brought to him, healing their illnesses and driving out demons. Jesus' compassion and healing of the sick is a sign of the Kingdom of God. The Church continues to extend Christ's healing presence to others in its ministry to the sick. In the Sacrament of the Anointing of the Sick, the Church prays for spiritual and physical healing, forgiveness of sins, and comfort for those who are suffering from illness.
