## **Fifth Sunday of Easter 15<sup>th</sup> May 2022**

### **WE ENCOUNTER JESUS - WE GROW TOGETHER IN HIS LOVE**

Making disciples who encounter the saving love of Jesus Christ

Growing together by being known, loved and supported.

Empowered by the Holy Spirit to worship, witness, and serve

Dear brothers and sisters in Christ

This Sunday I will be preaching on the Creed. There are three type of creeds we pray in the liturgy of the Mass; the renewl of baptismal promises on Easter Sunday, the Apostles Creed which we are proclaiming during the Easter Season and the Nicene Creed.

The Creed is a summary of the Christian faith and expresses the central truths that the members of the Catholic Church believe. The two most used creeds of the Catholic Church are the Nicene Creed and the Apostle's Creed. In Mass, we pray the Nicene Creed, which was written during two of the great councils of the Church, Nicacea in 325 A.D. and Constantinople in 381 A.D. It's the Church's way of briefly summarizing the most important truths of the faith.

It is, first of all, a profession of faith that is a personal act. It is a personal statement of what you believe. When you pray the Creed, you say 'I believe in One God,' 'I believe in One Lord Jesus Christ,' 'I believe in the Holy Spirit.' It describes you and what you believe. It is a summary of the central truths of your faith. You profess it as something individually important to you, something that tells others about you.

However, it is also something that you share in common with the rest of the faithful in the Church. All of the members of the Catholic Church personally profess the same beliefs within the Creed and are therefore connected. The Creed unites the faithful as One Church.

St. Augustine of Hippo said 'Let the creed be like a mirror for you. Look at yourself in it to see whether you really believe all that you claim to believe. And rejoice every day in your faith.'

May the Creed that we pray inspire in our hearts a deeper life for the True God and for the faith that has been passed down to us since the time of the Apostles

Fr Paul
